

2014 - 2015 Youth Soccer Program *Junior Development*

The Junior Development Program provides educational and developmental training for our players, ages 5 - 10, boys and girls.

Mequon Soccer Club believes in developing players from the youngest age in an environment in which the joy of soccer is promoted through skill development while nurturing the appreciation and understanding of the game. Proper technique promotes a greater appreciation for the game, which leads to greater fun and enthusiasm.

This program relies on parent volunteers for coaching games and practices. There will be guidance provided by a paid professional coach at each age level. Some age levels will rely more heavily on volunteer coaches.

U5/U6	Coed In-House League	Practice and games will be on weekdays
U7/U8	Coed In-House League**	Practices on weekdays, games on weekends
U9/U10	Coed League (Ozaukee)	Practice on weekdays, games on weekends

*** The club will create separate gender teams if enough girls register and enough parent coaches volunteer*

Every effort will be made with game scheduling, to avoid conflicts with fall flag football schedules.

Junior Development Program Fees
U5/6 and U7/8 (Both Fall 2014 and Spring 2015): \$375
U9/10 (Both Fall 2014 and Spring 2015):\$295
