

# **Coach Children in Programs Policy**

Last Edited: June, 2013

## **Programs**

Children of any Mequon Soccer Club (MSC) coach are allowed to participate in any MSC Program. Coaches are allowed to coach their own children, but are expected to treat all children in the same fashion, and must avoid any special treatment for their child. The same criteria for acceptance/suitability on a team must also be applied to all children.

## **Costs**

There will be no Program fees assessed for coach children for any of the regular soccer Programs, including Micro, Recreational, Academy, Select, and High School Programs, except that a no-fee roster spot may not be reserved unless the roster cannot be filled with paying players. Only the Program fee will be waived. Any additional fees, optional Program elements, or team obligations must be paid by the coach parent.

For participation in any other Program or event, such as Super-Y, soccer camps, etc., the fee for participation of a coach child will be set by the Board at a reduced rate that covers Club costs.

## **Review & Approval**

Placement of any coach child into a Program must be reviewed and approved by the Director of Coaches.
