Summer Competitive Soccer Opportunity

2014 SUPER Y LEAGUE SEASON

PROGRAM DETAILS AND SUMMARY

Mequon United is currently preparing for the 2014 Super Y season, which has competitive games running from late June to early August. In the past, the Super Y teams have been developed separate from the club teams, with players from all over Wisconsin. To feature our own club talent, and give the Fusion Soccer teams and players the best exposure, the club is hoping to have as many players as possible commit to the summer Super Y league, adding players from outside the club to fill out rosters. With the teams competing at this level in the summer, personal and team development increases exponentially. This is a great opportunity to increase skills, play high level soccer, and have fun building new friendships.

What is Super Y League?

The SuperY League is a national program designed for talented youth players that enjoy playing soccer at a high competitive level and/or are destined for college careers. The purpose is to identify players for the National ODP Team, within their natural environment during competition throughout the SuperY season.

Super Y and ODP

Players are evaluated over the course of the Super Y League season. The top 18 players chosen by the divisional scouting system in each age group per geographic division will be invited to attend the ODP National Camp. These camps are attended by U.S. National Staff Coaches to identify players for U.S. National Team Programs, as well as many of the nations top college coaches. These camps are held in Florida in February and March. Mequon SuperY teams have had numerous players chosen for the National ODP camp over the past 10 seasons.

Success with Mequon United

Our commitment to excellence in team and individual development continues into our 11th season with the SuperY League. Mequon United boys and girls teams have had tremendous success in the Super Y League over the years. Division Champions, National Championships, ODP National Players are all accomplishments that Mequon United teams and players have achieved. **The U15 girls team from this past summer will be traveling to Florida in December for the National Championships for the second year in a row.**

Season

The season consists of approximately 8–12 matches played over 3-4 weekends and runs from late June to early August. The teams travel on coach buses throughout the Midwest for their weekend games. Parent chaperones and team managers assure the safety of all players on the teams. Division point leaders (top two) will conclude the season with the Super Y League North American National Finals, held in early December in sunny, warm Florida.

Practices

There will be team practices held approximately twice a month at either MSOE or Uihlein Soccer Park from January through March. Once the weather permits, practices will be held outside. These practices are in addition to club team practices.

How do I join a team?

If your son or daughter is interested in participating in the 2014 Super Y season, please contact Debbie Thomsen at debthomsen@sbcglobal.net or 262/993-5445 by November 9th. Tryouts for players outside the club will be the weekend of November 9-10. Team fees are due to the league by mid December so forming the teams for next year is time sensitive.

Cost

Super Y fee - \$800 and includes coaching, indoor practice fee, league fees, ref fees, and weekend transportation costs. Hotel costs and food is not included in this price. \$50 credit if commitment is made before January 1, 2013.

***Playing in the SuperY league is very competitive. Playing time is earned with skills, attitude, and effort, it is not guaranteed. SuperY follows limited substitution rules which further affects substitution patterns.**
